

Get the most out of your virtual classroom

with weConnect adoption training

Your benefits

- Get the most out of your Barco weConnect solution by understanding all its capabilities
- Maximize solution uptime, minimize the need for external support
- Optimize learning experience and participant engagement

The weConnect solution pushes the needle forward for effective online learning! Be it in a traditional on-site setting, a virtual classroom or a hybrid context, weConnect brings educational innovation.

With the Barco adoption training service for weConnect, targeted towards both instructors and the IT support staff, you'll learn everything there is to know on how to run classes with this unique online learning solution. Get access to impactful and effective teaching and training for engaged audiences with maximum retention.

Two flavors available to you

• Online

An online customized training for max. 15 participants taking place over two days (incl. access to the Barco University Virtual Training Platform).

- Part 1 (Day 1 – 3h) – For all

- Part 2 (Day 2 – 3h) – For IT/Admin staff

• On-site

An entire day of customized on-site training for max. 10 participants aimed at your specific needs (incl. travel and lodging).

- Part 1 (AM) – For all

- Part 2 (PM) – For IT/Admin staff

What is included?
