

5 reasons to update your ClickShare with the June software release

Make your hybrid meetings better with the latest ClickShare software update

- 1.** Enjoy the magic of wireless conferencing with the ClickShare App. Button or App, it's your choice!

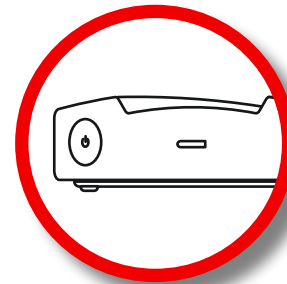

- 2.** Walk in and connect to the room with PresentSense.

- 3.** Share your content on the full room display thanks to Theater Mode.

- 4.** Keep your Logitech Rally and MeetUp up to date via the ClickShare base unit.

- 5.** Dynamic camera quality for optimum fluency and latency.

Be sure to register your ClickShare Conference or Present unit to unlock 5 years of SmartCare coverage!
Where to download? Check our step-by-step guide on www.barco.com/clickshare/firmware-update
Download and install the latest version of the ClickShare App on www.clickshare.app
Managing ClickShare can be centralized with XMS Cloud Management Platform.
