

Corporate Quality Policy

Policy statement

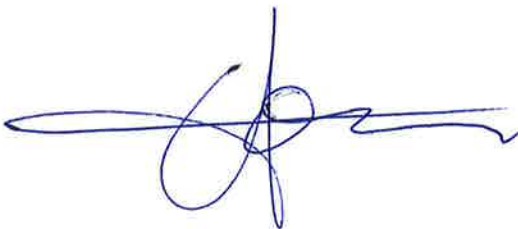

At Barco we are committed to

- **deliver innovative and highly reliable outcome based solutions** meeting customer, legal, regulatory and security requirements
- **inspire and engage our people** through clear roles and responsibilities, with **focus on performance and customer satisfaction**
- continually **monitor and improve** the speed, efficiency and effectiveness of our **processes** throughout the organization

Responsibilities and authority

- Barco's Chief Executive Officer has the ultimate responsibility for the application of this policy.
- The overall responsibility and authority is delegated by the Chief Executive Officer to the VP Quality, who serves as Barco's overall quality management representative.
- Leaders with executive responsibility from the Core Leadership Team are also accountable for compliance with this policy.
- Each Barco employee is responsible for the quality of our products and services and compliance to this policy.

Jan De Witte
Chief Executive Officer

Dries Geldof
